NextStage Essence

Fragrance collection | Approved visual direction

Classy yet sexy

Fresh, clean aquatic character with a smooth woody finish. The rising-step bottle connects the fragrance concept to the meaning of NextStage.

Bottle and storefront shown as design concepts. Fragrance samples, formulation and manufacturing are still to be developed.

NextStage Essence

Original fragrance concept

NextStage Eau de Parfum

PRICE: TBD

Direction: fresh and clean, with an aquatic opening and a smooth woody finish. Final notes, strength and performance will be selected through physical samples.

Presentation: ocean-blue rising-step glass concept, brushed-silver cap, subtle lime play emblem and navy presentation box. Keep NEXTSTAGE and EAU DE PARFUM as shown.

Shown 100 mL size is conceptual. Formula, concentration, capacity, packaging, safety documentation and production feasibility require confirmation. No release date or sales availability is promised.

DIAMOND BY NEXTSTAGE

Clear glass. Colorless perfume. A diamond-cut cap.

A tribute from Damion Flunder to his daughter Diamond. For my daughter. Always my Diamond.

Price: TBD | Availability: To be announced

Concept imagery. Scent notes, formula, concentration, capacity, packaging materials and manufacturing details remain in development. Not available to purchase.

MEANA BY NEXTSTAGE

Light-blue glass. Silver detailing. A faceted cap.

Softly curved shoulders and a matching powder-blue presentation box.

Price: TBD | Availability: To be announced

Concept imagery. Scent notes, formula, concentration, capacity, packaging materials and manufacturing details remain in development. Not available to purchase.

JADE BY NEXTSTAGE

Jade-green glass. Pale-gold detailing. A gemstone-cut cap.

A beveled bottle and a matching jade-green presentation box.

Price: TBD | Availability: To be announced

Concept imagery. Scent notes, formula, concentration, capacity, packaging materials and manufacturing details remain in development. Not available to purchase.

ÉCLAT DE DAMIRIS BY NEXTSTAGE

Blush crystal. Sunburst facets. Warm gold detailing.

A luminous fragrance design inspired by the radiance of Damiris.

Price: TBD | Availability: To be announced

Concept imagery. Scent notes, formula, concentration, capacity, packaging materials and manufacturing details remain in development. Not available to purchase.

LUMIÈRE DE RENÉE BY NEXTSTAGE

Luminous crystal. Pearl white. Soft gold detailing.

A fragrance design inspired by the meaning of Renée’s light.

Price: TBD | Availability: To be announced

Concept imagery. Scent notes, formula, concentration, capacity, packaging materials and manufacturing details remain in development. Not available to purchase.
